

Municipality Reichweiler

Mayor of the Municipality of Reichweiler

Dear Residents,

I would like to briefly inform you about recent developments in our village and provide an outlook on the coming months.

Green Space Maintenance

Maintaining our community areas, such as the playground, is a top priority. To ensure proper care, we have created a part-time position, which is being filled with great dedication by **Dietmar Dörr**. His outstanding work is visible throughout the village – thank you, Dietmar!

Traffic Safety

To improve traffic conditions in our village, we are planning to install a speed display sign. The financing of this project is currently being clarified, as we aim to minimize any financial burden on the community.

Welcome Sign

To present Reichweiler as a welcoming place and to inform about upcoming local events, we are planning a new welcome sign. **Karsten Becker and Jessica Theiß** are actively working on this project – many thanks to both!

War Memorial

The war memorial, a place of remembrance, is set to be restored and redesigned to provide an inviting space for all generations. Initial steps, such as tree maintenance and restoration work, are already being planned – always with financial feasibility in mind.

Digital Communication

To improve communication and keep you informed in a more modern and direct way, we are working on implementing a messaging service. The first steps have already been taken, and the launch is planned for the coming weeks. A special thanks to **Thomas Schmitt** for his innovative ideas!

Industrial Zone in Reichweiler

An industrial zone is planned for Reichweiler

A logistics company is investing in this project and will cover the development costs. The next steps involve obtaining approvals and further planning.

Kindergarten in Pfeffelbach

The expansion of the kindergarten in Pfeffelbach is currently in the planning phase. Initial measures to improve the parking situation have already been initiated. Special thanks go to the **local council in Pfeffelbach** for their commitment!

Absence

Due to family commitments, I will be away from Reichweiler from April 1st to May 1st. During this time, my first deputy, **Thilo Neitsch**, will take over my duties. Thank you for your understanding!

If you have any questions or suggestions regarding our community's development, feel free to call me or my deputy at **0160 2851715**, or send us a message.

Best regards from your neighborhood,

Dennis Müller
